Full Stack Web Developer

Experienced Full Stack Web Developer with a proven track record of success in building robust web applications. Proficient in a wide range of technologies and skilled in both front-end and back-end development, I am passionate about creating responsive and interactive user experiences. Currently seeking new opportunities to leverage my expertise and contribute to the success of a dynamic company. With a focus on clean, maintainable code and a commitment to continuous learning, I am dedicated to delivering high-quality solutions that drive business growth and exceed client expectations.

SKILLS

- HTML 5
- CSS3 (SCSS)
- JavaScript / jQuery
- React.js | REDUX toolkit
- Vue.js
- PHP (OOP)
- LARAVEL
- MySQL
- Node JS | Express JS
